

## Latest Craze

Seal

Warmth  
Security  
And all that comes with it

Still the wondering  
How it ever felt this good  
When you do it by daylight  
In company  
Or even by yourself

If they tell you  
It gets harder  
Then something's right  
But trust me  
If you're feeling it  
It gets easier by the night

When you do it daylight  
Or even in company  
That's okay

But if it felt the same  
A little superficial  
I figure if it's good to me  
It's the latest craze  
The latest craze

Tell me  
Father  
Say that it's no good  
I'm doing something  
Frankly, I don't think that I should  
Any fool can see  
There's no guarantee  
No

If they tell you  
tell you  
It gets harder  
harder ...ohh  
Then something's right  
then something's right  
But trust me  
trust me  
If you're feeling it  
if you're feeling it  
It gets easier by the night  
when you do it...  
When you do it in daylight  
in daylight maybe sometimes  
Or even sometimes in company  
in company  
That's okay

But if it felt the same  
A little superficial  
I figure if it's good to me

Then it's the latest craze

And if it felt the same  
Yet slightly superficial  
I figure if it's all new to me  
It's just the latest craze

It's just the latest craze

What does this mean to me  
what does this mean to me  
Any fool can see  
any fool can see  
It's just a fantasy  
it's just a fantasy  
Ohh yes  
not a phase

It's just the latest craze

It's the latest craze

It's the latest craze

Any fool can see

I'm doing something

Frankly, I don't think that I should
