

Latest Craze

Seal

Warmth
Security
And all that comes with it

Still the wondering
How it ever felt this good
When you do it by daylight
In company
Or even by yourself

If they tell you
It gets harder
Then something's right
But trust me
If you're feeling it
It gets easier by the night

When you do it daylight
Or even in company
That's okay

But if it felt the same
A little superficial
I figure if it's good to me
It's the latest craze
The latest craze

Tell me
Father
Say that it's no good
I'm doing something
Frankly, I don't think that I should
Any fool can see
There's no guarantee
No

If they tell you
tell you
It gets harder
harder ...ohh
Then something's right
then something's right
But trust me
trust me
If you're feeling it
if you're feeling it
It gets easier by the night
when you do it...
When you do it in daylight
in daylight maybe sometimes
Or even sometimes in company
in company
That's okay

But if it felt the same
A little superficial
I figure if it's good to me

Then it's the latest craze

And if it felt the same
Yet slightly superficial
I figure if it's all new to me
It's just the latest craze

It's just the latest craze

What does this mean to me
what does this mean to me
Any fool can see
any fool can see
It's just a fantasy
it's just a fantasy
Ohh yes
not a phase

It's just the latest craze

It's the latest craze

It's the latest craze

Any fool can see

I'm doing something

Frankly, I don't think that I should
