

My Vision

Seal

I feel like the sun,
I feel like the rain
I feel like I just found reason for living again
'Cause what I've been dreaming,
I know that it's real
I know there's just no changing the way I feel
You're into my head
I'm out of my mind
I feel like I've just found reason for being alive
And I have a secret
I think you should know
I feel like I just can't keep it
It's deep within me
And I feel like I'm losing control

Can you see my vision
Of a red hot summer in wine?
When love was the feeling
With no indecision
We were turning that key inside
To get in the moment

We live in a dream,
I see you today
I feel like all my fears are fading away
Been waiting so long for something new
I feel like a constant craving for being with you
And I have a secret I think you should know
I feel like I just can't keep it
It's deep within me
And I know that I'm losing control...

Can you see my vision
Of a red hot summer in wine?
When love was the feeling
With no indecision
We were turning that key inside
To get in the moment

Can you see my vision
Of a red hot summer in wine?
When love was the feeling,
When love was the feeling
When love was the feeling,
When love was the feeling

[illegible]

And I feel like I'm losing control

Can you see my vision
Of a red hot summer in wine?
When love was the feeling
With no indecision
We were turning that key inside
To get in the moment

Can you see my vision
Of a red hot summer in wine?
When love was the feeling,
When love was the feeling
When love was the feeling,
When love was the feeling.
