

When a Man Is Wrong

Seal

The perils of loneliness
The pleasures of love
That we find

The argument's immanent
The look on her face
As we cry

There's nothing when you fall alone
There's hate when you fall by the side

You know that I didn't mean to hurt you love
I just need some light
On my life

But when a man is wrong
Facing all the mistakes
That he's done

There can be no right

Now if I was a holy man
And you were the devil song
And if I liked what you played
Does that mean you're right and I'm wrong

Know there's danger in a serenade, my friend
There's even love if you find what you want

And there's reasons to be afraid
And reasons to open your heart

But when a man is wrong
Facing all the mistakes
That he's done

There can be no right

Oh my friend
I sometimes get things wrong to get things right

Oh my friend
You know I sometimes get things wrong to get things right

Oh my friend
Nana naa na naa

When I'm wrong
is wrong
Facing all the mistakes that are done

When a man is wrong
When this man is wrong
There can be no right

There can be no right
