I'm wishing on a star To follow where you are I'm wishing on a dream To follow what it means

I'm wishing on a star To follow where you are I'm wishing on a dream To follow what it means

And I wish on all the rainbows that I see
I wish on all the people who really dream
And I'm wishing on tomorrow, praying it'll comes
And I'm wishing on all the lovin' we've ever done

I never thought I'd see A time when you would be So far away from home So far away from me

Just think of all the moments that we'd spent I just can't let you go, for me you were meant And I didn't mean to hurt you, but I know That in the game of love you reap what you sow

I feel it's time we should make up, baby I feel it's time for us to get back together And make the best of things, oh, baby When we're together, whether or never

I feel it's time we should make up, baby I feel it's time for us to get back together And make the best of things, oh, baby When we're together, whether or never

I'm wishing on a star To follow where you are I'm wishing on a dream To follow what it means

And I wish on all the rainbows that I see
I wish on all the people we've ever been
And I'm hopin' on all the days to come and days to go
And I'm hopin' on all the love that you've ever know

I'm wishing on a star
To follow where you are
I'm wishing on a star
Oh, oh, oh,
And I wish on all the rainbows that I see

I'm wishing on a star
To follow where you are
I'm wishing on a star
Oh, oh, oh,
And I wish on all the rainbows that I see
