Diamond Girl you sure do shine Glad I found you glad you're mine

Oh my love you're like a precious stone part of earth where heaven has rained on

Makes no difference where you are
Day or night time
you're like a shinin' star
And how could I
shine without you
when it's about you
that I am?

Diamond Girl roamin' wild Such a rare thing radiant child

I could never find another one like you Part of me is deep down inside you

Can't you feel the
whole world a-turin'?
We are real
and we are a-burnin'
Diamond Girl
now that I've found you
it's about you that I am, woh oh

(instrumental)

Diamond Girl
you sure do shine
Diamond Girl
you sure do shine
Diamond Girl
you sure do shine
Diamond Girl
you sure do shine...
