

# Love Takes No Prisoners

Seals & Crofts

In the city down below the denizens are creeping  
Frail and phantom shadows as the night comes falling down  
Well, I only know my heart, I know how much I miss you  
It's empty here without you in the stillness I have found

Love takes no prisoners  
Sometimes it comes like a thief in the night  
And love shows no mercy  
It only knows that I need you, I need you in my life

Soft are the chains, your memory has bound me  
And now that you're my reason there is something I must  
know  
If I endure this pain will you meet me in the morrow?  
Like a magnet you're electric and I cannot let you go

Love takes no prisoners  
Sometimes it comes like a thief in the night  
And love shows no mercy  
It only knows that I need you, I need you in my life

It only knows that I need you  
Oh, love takes no prisoners  
Sometimes it makes me just want to run away
