Sean Garrett

Ay this one right here goes to all the shawty's in the world that need a real man in their life.

Oooo, damn girl your on fire.
Oooo, damn girl your on fire.

All the beautiful girls in the world.
(From the A-town to the south of France)
Feeling they ain't getting enough of love.
(And you're sick of what you're dealing with)
Here's a song to show you all I feel.
If I had you here you know what I'd give you. Ooo, the next time he hurt you bad baby.
Let me make it all ok.

First I'm a come and get you girl.
(Out the hood with no fear)
Don't wanna have to pull my gun
(But if I have to I will)
For two days straight I'm a keep you up.
(Make you feel like you ain't felt)
In my bed hitting it like he didn't hit it bad.

(I know you on fire) And your man don't F*** you right.
Damn, my side is cold just come on in.
(I know you about it) You gon' get your chance to show tonight.
Stress no more, just come on in. [x2]

It must be hard to spend every night and. (Getting no love)
Only affection that you getting is when he.
(Hits on ya)
Probably be beating but I won't be putting.
(Fists on ya)
Girl it may get a little aggressive but it's gon' be good.
Here's a song to show you all I feel.
If I had you here you know what I'd give you. The next time he hurt you bad babe.
Everything will be ok.

First I'm a come and get you girl.
(Out the hood with no fear)
Don't wanna have to pull my gun
(But if I have to I will)
For two days straight I'm a keep you up.
(Make you feel like you ain't felt)
In my bed hitting it like he didn't hit it bad.

(I know you on fire) And your man don't F*** you right.

(I know you about it) You gon' get your chance to show tonight.

See I know your getting out of control. (Out of control)
Cause the one your dealing with is really getting old. (So getting old)
Know I got that brand new.
Do more than your man do.

Go on and go grab some chocolate before the market close.
Show 'em you lady. (Hey)
Show 'em you my baby. (Hey)
Now raise your hands up.
Oh, I forgot that ring too heavy. (Hey)
Man I had to get it. (Hey)
And rock you steady. (Hey)
Had to keep my baby close to my hip like a machete.
(I wouldn't be here) I wouldn't be here for you if I didn't care.
Wanna do what I do with you shawty and pull your hair.
Is that too rough? (When the going gets tough)
Put you in handcuffs. (Can you go right there) Gotta change, you'll never be
nowhere but in my care.

First I'm a come and get you girl.
(Out the hood with no fear)
Don't wanna have to pull my gun
(But if I have to I will)
For two days straight I'm a keep you up.
(Make you feel like you ain't felt)
In my bed hitting it like he didn't do it bad.

(I know you on fire) And your man don't F*** you right.
Damn, my side is cold just come on in.
(I know you about it) You gon' get your chance to show tonight.
Stress no more, just come on in. [x2]
