(Yo, this right there for all my girlfriends... mine too)

Tell me what is it that I gotta do baby for you to be my
Girlfriend,
And girl I know you tired of being that chick on the side,
You wanna be the only girlfriend
You wanna be the one to say, ohhh ohhh,
The only one they bring it home too,
So go on and tell me what is it you gonna do about me,
Cause I can promise you I know what I'm a do about you

(Do it)

Bathing tops with them bottoms that the g's like to come
To the dirty south for...
But there's one in particular dame, I remember, form the
Bank she work in the drive through... (she's saying)
Boy I bet you don't even remember me, I'm thinking,
Who in the hell could forget about you

And I'm looking at her thinking for so long I wanted to
Get at you...
But I know you with your girlfriends...

Need to

Pull up in a phantom, inside sicker than cancer
She hopped from her seat, that's a private dancer

But if you get desperate, I'm a leave you baby
