Sean Kingston

He ain't fly no, he don't even drive no
That's why you're calling my phone,
Won't leave me alone
He ain't a fly dog, you ain't gotta lie though
That's why you're calling my phone,
And you wanting me to beat, beat, beat it
You wanting me to beat, beat, beat it
Not a problem baby
You wanting me to beat, beat, beat it

I've been out here looking for a girl like you
So I'm ready settle down and lure you to your ...
You got your eyes on me girl, he got his eyes on you
My eyes on this money and it's nothing he can do

He ain't fly though, he ain't even drive though
That's why you're calling my phone,
Won't leave me alone
He ain't a fly dog, you ain't gotta lie though
That's why you're calling my phone,

Cause you want me to beat, beat, beat it
Beat, beat, beat it, beat, beat, beat it
You wanting me to beat, beat, beat it
Beat, beat, beat it, beat, beat, beat it

So I'm ready settle down and lure you to your door
You got your eyes on me girl, he got his eyes on you
My eyes on this money and it's nothing he can do

He ain't a fly dog, you ain't gotta lie though
That's why you're calling my phone,

Cause you want me to beat, beat, beat it

You wanting me to beat, beat, beat it
Beat, beat, beat it, beat, beat, beat it
Not a problem baby
