Sean Kingston

Somebody call 911!  
Shawty fire burning on the dance floor, whoa  
(Fire burning, fire burning)  
What a gwaan!  
Kingston, let's go, hey!  
RedOne, hey, hey

Shawty got that super thing  
Hotter than the sun in the south in Spain  
Got me soon as I walked through the door

My pocket started tickling  
The way she drop it low, that thang  
Got me wan' spend my money on her, her

She get it, pop it, lock it, drop it, that birthday cake  
Got a candle, need to blow that crazy flame away  
Now take my red, black card and my jewelry  
Shawty is cool like the fire, cool like fire

Somebody call 911!  
Shawty fire burning on the dance floor, whoa  
I gotta cool her down  
She wan' bring the roof to ground  
On the dance floor, whoa

She's fire burning, fire burning on the dance floor  
That little shawty's fire burning on the dance floor  
She's fire burning, fire burning on the dance floor  
That little shawty's fire burning on the dance floor  
(Fire burning, fire burning)

That body is a masterpiece  
The order is one in every hundred years  
But ain't no doubt I'm taking it home, home

Little mama game is about to change  
She'll be on covers over the world

She get it, pop it, lock it, drop it, that birthday cake  
Got a candle, need to blow that crazy flame away  
Now take my red, black card and my jewelry  
Shawty is cool like the fire, cool like fire

Somebody call 911!

That'll make them fellas run around, hey!

No exit from the dance floor  
So them boys wan' more, hey!

That'll make them fellas run around  
(Madem, get out my way, everybody, sing it now, hey!)  
No exit from the dance floor  
So them boys wan' more  
(What a gwaan? Let's go! Madem, let's go, hey!)
