

# My Girlfriend

Sean Kingston

This the one that the DJ play  
All the sexy gyal dem wah shake (2x)

She walked right over to me  
And her eyes dem went right through me  
She said you're somebody I should know  
And all the things that she was saying  
Had my actions delaying  
Before I knew it, we're on the floor

Oh you're slipping me your number, oh it makes me start to wonder  
What I, What I should do  
Your intentions are so clear so keep your body right here  
Don't you move, cus I feel it too

You're dancing on me like you're my girlfriend  
You tell me u wanna be my girlfriend  
But just for tonight, and I won't regret it  
And even if we break up, no matter what, tonight you're my girlfriend

Dj play the song and dedicate to me and my new girlfriend  
Dj play the song and dedicate to me and my new...

No we're touching like we're dating  
I could see that you ain't playing  
I could tell you know what you're looking for  
And I'm a mess so I gotta say it  
Oooh, I wanna take it  
And I won't make you wait anymore

And you put your hands up under so I don't have to wonder  
What you, what you came here for  
Cus the way you put it on me girl, I won't leave you lonely girl,  
She say, I want that and more

You're dancing on me like you're my girlfriend  
You tell me u wanna be my girlfriend  
But just for tonight, and I won't regret it  
And even if we break up, no matter what, tonight you're my girlfriend

Dj play the song and dedicate to me and my new girlfriend  
Dj play the song and dedicate to me and my new...

Tonight I'm not gonna let you be alone  
Baby come on, baby come on,  
Since you my girlfriend I want to take you home  
Baby come on, baby come on

You're dancing on me like you're my girlfriend  
You tell me u wanna be my girlfriend  
But just for tonight, and I won't regret it  
And even if we break up, no matter what, tonight you're my girlfriend

Dj play the song and dedicate to me and my new girlfriend  
Dj play the song and dedicate to me and my new... (2x)

One night, one night

One night, one night  
One night, one night  
One night, one night
