

Rum and Raybans

Sean Kingston

Kingston!

Let's go!

Round of applause because that body needs a hand
Clap it up for that body, clap it up for that body
Shots at the bar no chases baby I'm a man
Take a shot appplecardi, take a shot appplecardi
Raybans on cause I'm way to drunk so bailare
Eight fingers on, got drink in my cup so bailare
Show up, and I don't give f-ck so bailare
Throw up and I don't give a f-ck
Throw up and I don't give a f-ck

I pull up in a mad-flat truck, like a rock star
Feeling like a million bucks
Shades on, drink in my hand
The only thing I need is Rum And Raybans
Rum And Raybans
Rum And Raybans

Round of applause because that body needs a hand
Clap it up for that body, clap it up for that body
No really baby, like to touch it if I can
Why don't we leave the party, and we can get real naughty

Raybans on cause I'm way to drunk so bailare
Eight fingers on, got drink in my cup so bailare
Show up, and I don't give f-ck so bailare
Throw up and I don't give a f-ck
Throw up and I don't give a f-ck

I pull up in a mad-flat truck, like a rock star
Feeling like a million bucks
Shades on, drink in my hand
The only thing I need is Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans

Step into me casa me casa
Take a peek, boy I know you want it
We can dance all night long until the morn
With nothing but our shades on
Nothing but our shades on

Rum And Raybans

Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans
