

# As Time Goes On

Sean Paul

yeah yeah oh oh ohhh  
will we ever care  
and will we ever share  
yoyo

you all say you ruling people  
say you doing it so decide full  
yes here, to hear lets care to the youth that you dont care  
?? what thief is  
everybody no "intane" the secret  
ammunition and gun thats all you really wanna share  
i see the blood is on your hand  
i see the youth no understand  
its going nowhere

round and round in a circle  
politics tactics never work out  
so much blood gotta spread on earth  
men is dying everywhere

as time goes on  
when will we life together

time goes on  
and all seems so unclear

for rest time goes on will we ever get along  
and will we life thats one in

time goes on  
and will we ever care

everybody got good and evil  
take a look inna your self no people  
positiv , negativ wich one will you manifest  
everybody want the same thing only  
nobody dont wanna life inna this way  
everybody is fighting  
to achieve their happyness

someone were rich and famous  
then them getting switch and blame us  
i wish that those, could see their emptyness  
round and round in a circle  
self justice just no go work out  
to much blood gotta spread on earth  
men is dying everywhere

will we ever care  
will we ever share  
endless joy in here  
here it in the air

muslim and christiana  
buddis and indu ,rastafarai and thou  
will we ever share

one god  
birds and eclipse all this politics man  
p and g and a day LP  
will we ever care

about life, well the blood is on your hand  
and the youth no understand  
its going nowhere

round and round in the circle  
blood spill in just na go work out  
to much men ???  
men is dying everywhere

(will we ever care) and will we ever share  
(will we ever share) and will we ever care  
(will we ever care) and will we ever share  
(will we ever share) and will we ever fear god

for the endless joy in here(jah)  
when will we ever fear (jah)  
at the end is jah in here (jah)  
and will we ever fear (jah)
