

# Straight from My Heart

Sean Paul

Yeah, yeah, wo, woo  
Yeah, yeah, I love you  
(Mamma)  
Wo, woo, yeah, yeah  
Yeah, yeah, yo, yo  
Mamma, I love you  
(Yeah)

Yeah, yeh  
(Wooaa)  
Wo, woo  
(Wooaa)

(I love you)  
Ya knoamean?  
(Yo, yo, yo, yo, ow)  
Arite

This one comes straight from my heart  
I gotta give you thanks and praises  
Straight from my heart  
For every time that you been there

Straight from the start  
You grew me up from I was a baby  
Straight from my heart  
Mamma, I love you dear

Oh mamma, I've been searchin'  
For the right word to say to you for so long  
To display to you di strong bond  
The emotion all connection we got  
For the love that you gave year to year  
Before I was born up to the time I were there

Tru the struggle mamma don't despair  
When poppa never deh, deh maybe he was scared  
But you never feared, always prepared to share  
Two young sons now just look it a best

Give thank for all your blood, sweat and tears  
Oh mamma, I will always be there  
Appreciate the windsom you share  
Oh mamma, don't worry

Yow, cau the truth is mamma never left us no time  
That's the truth, all the truth, spiel the truth, a the truth  
All due times arrived she never left us behind  
That's the truth, feel the truth, share the truth, the real truth

So anyway Jah take wi down life avenues  
That's the truth, all the truth, dis a the truth, spiel the truth  
I'll never leave you mamma  
I'll always be your youth, the truth, the truth

And this one comes straight from my heart  
I gotta give you thanks and praises

Straight from my heart  
For every time that you been there

Straight from the start  
You grew me up from I was a baby  
Straight from my heart  
Mamma, I love you dear

So mamma don't yuh worry  
Nah fret about de way dat I been living  
I'm strictly thanks-giving, 'cause you hav been a blessing  
The lesson you taught, we cannot forget  
There in our minds, mamma you know it's sad

The thought dat to maintain dat obtained  
These material tings that cannot conquer my brain  
My sould is intact, mamma hear what I'm saying  
Doan cry no mo' I feel your pain

Everyday mamma I keep on praying  
You know you'll neva lose me to faith  
I'm sorry for the times I complained  
Mamma, let me tell you clear an plain

Yow, the truth is mamma you neva let us down  
That's the truth, spiel the truth, a the truth, the real truth  
An due times arrived you still did wear the crown  
That's the truth, feel the truth, share the truth, the real truth

So anyway Jah tek mi down life avenues  
That's the truth, dis a the truth, mamma tek dis a the truth  
I'll never leave you mamma  
I'll always be your youth, the truth, the truth

And this one comes straight from my heart  
I gotta give you thanks and praises  
Straight from my heart  
For every time that you been there

Straight from the start  
You grew me up from I was a baby  
Straight from my heart  
Oh mamma, I love you dear

And this one comes straight from my heart  
I gotta give you thanks and praises  
Straight from my heart  
For every time that you been there

Straight from the start  
You grew me up from I was a baby  
Straight from my heart  
Oh mamma, I love you dear

And this one comes straight from my heart  
I gotta give you thanks and praises  
For every time that you been there

Straight from my heart  
Every time, every time mamma  
Straight from my heart  
Mamma, I love you dear
