If ya, knock on my door I'm cockin the four  
Free to escape from the law like Assata Shakur  
For a dime a tack you can put your cock in a whore  
Kinda worse when you rockin on tour, listen  
Groupie girls wanna lick on your dick  
Groupie guys wanna get in the flick, I'm like - FUCK YOU~!  
Give me some chips, overall they like "Sean's so ill"  
Who you think you is, Ron O'Neal? (YEAH!)  
Allahu akbar pah scar pa on the grill  
Fake f\*\*k's face cut when they f\*\*k with the real  
Mighty Flow Young, so dumb, guns is drawn  
Calamity, all your family, your son is mourned, one

(I punch you in your face nigga~!)

(Who the f\*\*k you talkin to, who? I smack the f\*\*k outta you)

[Chorus: Rock]

Crush kill and destroy them with savagery, catastrophe  
Dump steel, let it roar and we smashin through your ave and fleet  
Run you still can't avoid it, the spazzery, the agony  
Battle you bitch bastards, we king kong your whole faculty!

[Sean Price:]

Aiyyo, Sean Price, Boot Camp best  
Gimme the #2 pencil, watch me take the test  
Shake your set, break your neck, competitors flee  
Who the f\*\*k rhyme better than me? Nobody-body  
Dutch in my ear, Olde E in my palm  
I Freddy Krueger your face, Michael Myer your moms  
You botherin mine? That's when I'm sparkin the nine  
Pull out the thing, flame on like, {?} in time  
Fan-tastic flow, connect the concepts  
Broke niggaz with beat kicks, that's my projects  
My man like "Ruck, you ain't reachin the kids"  
I stuck my hand out and three-pieced his wig  
I'm, doin my thing, you new to the game  
Don't hate, "Celebrate" pa, Kool and the Gang  
I don't have a big crew just {?} to ring  
And a couple of loose voodooos boostin your chain

[Chorus]
