Kurt Rambis

Kurt Rambis Take one for the team when the opponents disperse damage Never gun shy, I'm always the first brandish Pop you in the face, you ate the dirt sandwich, P I don't rap like the rest The rest of y'all on that rap shit, put rapping to rest Original gun clap, jackers pack in their skin I'm a couple of mushrooms away from pitching crack on the steps That shit is real, real shit, I'm rapping for real Wrapping up bread 'til a nigga rap for a deal You can be black or white and if your rapping is real I appreciate that, Mac Miller is real, P Black gorilla, de Ville Where I reside I smack niggas and chill Defending my bars first Never respond to a f**king Kendrick Lamar verse
