

Bite Bullet

Seasick Mama

Hey mister uh lover of mine
Deep thinker gonna be alright put the top down let in a good vi
be
Hey sister hey soulmate of mine
Enough gossip gonna be alright, p.m.a, put your problems to the
side

Chorus:

We should chase those waterfalls
If they don't return the calls then they don't
And we won't, won't feel bad
Promises of better days
Time for money to be made
If you don't bite bullet that's your bad

Hey green eyes things will be fine
Don't trip on the small things take one day, take one day at a
time
Hey sailor hey you doing time
Toughen up on your hard luck, you'll be out you'll be out in 6
to 9

Chorus:

We should chase those waterfalls
If they don't return the calls then they don't
And we won't, won't feel bad
Promises of better days
Time for money to be made
If you don't bite bullet that's your bad
