

I never thought it'd end just like this,
I should have known that you'd be leaving
I should have known, should have dropped these feelings
Now I'm sleeping on the floor,
Left broken like before,
I should have known that you'd be leaving.

The sky is falling, my lips they tremble with fear,
I'm not as tall as I used to be
The grass was greener when you were near,
Now you're just a whisper in the wind.

I just hate this feeling,
Sitting on my bed,
Staring at the ceiling,
But I know that you're okay,
I just hope you won't forget me as I waste my days away.

The hardest part, is not being there for you,
No one to care for you, no one to hold on to,
And it sucks that I can't see you every day,
Can't hear the things you say,
Did we throw it all away?

Cause I am falling, I hope you're there to catch me,
I'm not as strong as I used to be.

I just hate this feeling,
Sitting on my bed,
Staring at the ceiling,
But I know that you're okay,
I just hope you won't forget me as I waste my days away.

The hardest part is not being there.

I just hate this feeling,
Sitting on my bed,
Staring at the ceiling,
But I know that you're okay,
I just hope you won't forget me as I waste my days away.
But I know that you're okay.
