

Slowing Down

Seaway

We're slowing down and were starting a fire.
It's out of control and were losing desire.
There's no doubt in my mind that I have made you cry,
Over stupid shit that I choose to do when im wasting all
my time

I know it hurts you so bad, to see the side of me you
wish you never had.
And I can't change that, erase that or take it back.
But I'll never hurt you again. We'll always be more than
friends.

And when the good seems to fade, like chalk washed out in
the rain.
We'll bring each other down. Anything to make you frown.
But that's not how my mother raised me.
I think I've just been a coward lately.

I know it hurts you so bad, to see the side of me you
wish you never had.
And I can't change that, erase that or take it back.
But I'll never hurt you again. well always be more.

I took a chance and I think I made it.
I always wanted to see you naked.
I played my cards right, yeah I aced it.
Oh how you tasted, I think we made it
