

Flame

Sebadoh

I don't want to be the one who rides flame
I don't know her name
I don't want to go where the seekers all go
I don't want to go

You can feel anything you want to feel
And call it real
But I don't want to be the one who rides flame

I can't complain though I'm wrapped up in chains
I can't complain
Everybody's got the right to be free
But that's not me

Hit the flame, burn a hole in my brain
Never be the same
Try to take it slow, but she's pushing me to go
Where I don't want to go

I don't want to be the one who rides flame
