

# Flame

Sebadoh

I don't want to be the one who rides flame  
I don't know her name  
I don't want to go where the seekers all go  
I don't want to go

You can feel anything you want to feel  
And call it real  
But I don't want to be the one who rides flame

I can't complain though I'm wrapped up in chains  
I can't complain  
Everybody's got the right to be free  
But that's not me

Hit the flame, burn a hole in my brain  
Never be the same  
Try to take it slow, but she's pushing me to go  
Where I don't want to go

I don't want to be the one who rides flame
