

## It's All You

Sebadoh

Driven to live, but now I complain  
I'm fallin' apart when I feel this way  
I can't ignore, I can't exist  
The door is locked and on my mind it's...  
Anytime you want me, I feel good all over  
Spending all my time, it really is a good thing  
This is good, it's all we have  
Now I know there's nothing left  
I'm trapped, I'm trapped  
My head is filled with facts  
And it's all you  
Sick in the head, I think it's a game  
But if it was, I wouldn't feel this way  
I'm doing my chores, I'm checking my list  
I'm walking the dogs, and on my mind it's...  
I'm gonna get so wasted, gonna feel good all over  
I'm spendin' all my time wishing you were with me  
It's you, it's you, it's you, it's all you  
It's you, it's you, it's you, it's all you
