

All My Friends Are Dead

Sebastian Bach

All my friends are dead
I'm left all alone
Still I live and breathe
We are the left behind
Contempt to prophecise
Eternal rest in peace

Your turn to rescue me
It's too late to turn back now

Oh Oh-Oh Oh Oh
All my friends are dead
Oh Oh-Oh Oh Oh
And I don't have time to live and lie
And it's too late to wonder why
Too late to turn back time again
Cos' all my friends are dead

All the days gone by
Mistaken for a ride
Ultimate sacrifice
We are what we destroy
Discarded like some toy
A child's game of dice to play

Your turn to rescue me
It's too late to turn back now

Oh Oh-Oh Oh Oh
All my friends are dead
Oh Oh-Oh Oh Oh
And I don't have time to live and lie
And it's too late to wonder why
Too late to turn back time again
Cos' all my friends are dead
