

# Forget You

Sebastian Bach

Why is love pain?  
Tell me why  
Must love leave me again?

I'm trying hard to forget you but I don't know if I can  
I'm not afraid to forget you cause you'll never let me in

Lie straight to my face  
Outta time  
In the bed you made

I'm tryin' not to forget you but I don't know if I can

You choke the very heart from me  
Sweet suicidal dream  
And now I'm living inside myself  
Where you can't get to me
