

Push Away

Sebastian Bach

I want to keep you, shut the door, throw away the key
For you belong to me.
You want to run, you want to hide, you try to leave
There is no hope you'll see.
I can't control myself... I push away
And I'm left beside myself
Your love is so far away,
When I need you close your gone again!
I stalk your every move, so beautiful to me, and my twisted fantasies.
I shut my eyes, you're all I see, your in my dreams,
And I won't let anyone take you away from me.
And I cant control myself... I push away
And I'm left beside myself
Your love is so far away,
When I need you close your gone again.

When I cling too tight... hold on
When I hold too tight... dont let go
Cuz when I push you away, is when I need you the most
I need you the most!

I lost myself and your lost through my grace.
Then I build a temple to your soul and I will obey,
And I will worship on the ground you lay.
And I cant control myself... I push away!
