

# Riot Act

Sebastian Bach

I never wanted to be President  
'Cause it's nothin' but an ego trip, yeah  
I didn't want your education  
'Cause it's nothin' but a pile of shit  
You bore me to death, so shut up for God's sake

Stop readin' me the riot act  
While my brains are still intact  
You say it's raining, but you're pissin' down my back  
So stop readin' me the riot act

I couldn't listen to a word you said  
This goin' nowhere thing is wearin' fuckin' thin  
When your sex, your drugs, and your valid vic'  
Is just the spit I wipe off my chin  
I'd rather go nowhere than not know where it's at

Stop readin' me the riot act  
While my brains are still intact  
You say it's raining, but you're pissin' down my back  
So stop readin' me the riot act  
Oh, my god

I never wanted to be President  
'Cause it's nothin' but an ego trip  
I didn't want your education  
'Cause it's nothin' but a pile of shit  
You bore me to death, so shut up for God's sake

Stop readin' me the riot act  
While my brains are still intact  
You say it's raining, but you're pissin' down my back  
So stop readin' me  
Stop readin' me the riot act  
While my brains are still intact  
You say it's raining, but you're pissin' down my back  
So stop readin' me the riot act  
The riot act  
The riot act  
The riot act
