

Rock 'N' Roll

Sebastian Bach

HEY!!!!We're tired of livin' on the outside
Don't wanna live a life we THOUGHT we'd know
Too long the lowdown on the upside
I eat the peach fizz blow

Do ya need it?can you breathe it?
Can you see it?you can be it
We can't wait, we can't fight it
There's no way you can deny it

Can you feel it gettin' stronger every day?
Turn it louder!
Can't get no kick if you got no soul
I'LL NEVER TURN MY BACK ON ROCK ' N ' ROLL

LOOK OUT!!!!the question outnumber the answers
They got the badges, but they ain't got no guns
Hornication the romancer
You're not the only one

Right away you get excited
So delicious & delighted
So you come & I like it
We're the chosen & invited

Can you feel it gettin' stronger every day?
Turn it louder!
Can't get no kick if you got no soul
I'LL NEVER TURN MY BACK ON ROCK'N'ROLL
Can you feel it gettin' harder every day?
Can't get no fix if you got no soul
Can't get no fix if you're in the hole
Can't get no fix if you got no whole
Can't get no licks if you shut your hole
