## **Tonight's the Night**

## **Sebastian Bach**

Tonight's the night
It's gonna be all right
Cause I'm in love with you girl
Ain't nobody gonna stop us now

Stay away from my window Stay away from my back door too Disconnect the telephone line Relax baby and draw that blind

Kick off your shoes and sit right down Loosen up that frilly French gown Let me pour you a good long drink Oh baby don't you hesitate cause

Tonight's the night
It's gonna be all right
Cause I'm in love with you girl
Ain't nobody gonna stop us now

C'mon angel my hearts on fire
Don't deny your man's desire
You'd be a fool to stop this tide
Spread your wings and let me come inside

Tonight's the night
It's gonna be all right
Cause I'm in love with you girl
Ain't nobody gonna stop us now

Don't say a word my virgin child Just let your inhibitions run wild The secret is about to unfold Upstairs before the night's too old

Tonight's the night
It's gonna be all right
Cause I'm in love with you woman
Ain't nobody gonna stop us now
