

Prosterne toi!

Danse!

Rêve!

Come to us

I could be good

Come to us

Enjoy the blue

So, be with us

And feel the sound

Come to us

Up off the ground

So, be with us

I could be yours

Come to us

Followers' fool

So, be with us [x4]

So, baby, your money is following

An eternal blue

Danse!

Rêve!
