

## Black Rose - part II

Sebastien

Why  
So many melodies  
Ravens and crows  
Screaming on a wire

Oooh, my Lord  
It's me who's killing you  
Mistreated clowns as I'm fallin' down

Haunted room  
Covered by memories  
Year after year beatin' scary monster

Foolin' you  
Is like a suicide  
Can't stand the sound of a Devil's smile

It's been only dream ...
