

A Twist in My Story

Secondhand Serenade

Slow down, the world isn't watching us break down
It's safe to say we are alone now, we're alone now
Not a whisper, the only noise is the receiver
I'm counting the seconds until you break the silence
So please just break the silence

The whispers turn to shouting
The shouting turns to tears
Your tears turned into laughter
And it takes away our fears

So you see, this world doesn't matter to me
I'll give up all I have just to breathe
The same air as you till the day that I die
I can't take my eyes off you

I'm longing for words to describe how I'm feeling
I'm feeling inspired, my world just flipped, turned upside down
And turned around, say, what's that sound?
It's my heartbeat, it's getting much louder
My heartbeat is stronger than ever
I'm feeling so alive, I'm feeling so alive

The whispers turn to shouting
The shouting turns to tears
Your tears turned into laughter
And it takes away our fears

So you see, this world doesn't matter to me
I'll give up all I have just to breathe
The same air as you till the day that I die
I can't take my eyes off you

I'm finally waking up, a twist in my story
It's time I open up and let your love right through me
I'm finally waking up, a twist in my story
It's time I open up and let your love right through me

?Cause that's what you get
When you see your life through someone else's eyes
That's what you get, that's what you get

So you see, this world doesn't matter to me
I'll give up all I have just to breathe
The same air as you till the day that I die
I can't take my eyes off you

So you see, this world doesn't matter to me
I'll give up all I have just to breathe
The same air as you till the day that I die
I can't take my eyes off you
