

I Don't Wanna

Secondhand Serenade

You play our song,
And you say there's nothing wrong
But I know you're lying to me

I state my case,
Even in our perfect place
There's nothing I can do to make you believe

Cause I don't wanna run, don't wanna hide,
I don't wanna say that I'll be alright
Cause lying is the only thing that gets me by

I don't wanna bend, don't wanna break
I don't know how much more of this I can take
I don't wanna love you, no; its true,
He I have to learn to love anyone but you

We drive around
To get lost but we get found
These roads are paved with the truth

To folly, once you told me
That I mean more than the words you said
I'd say that these words don't love you, I do

Cause I don't wanna run, don't wanna hide
I don't wanna say that I'll be alright
Cause lying is the only thing that gets me by

I don't wanna bend, don't wanna break
I don't know how much more of this I can take
I don't wanna love you, no; its true
If I have to learn to love anyone but you

Anyone but you
I don't wanna love anyone but you
Anyone but you,
I don't wanna love anyone but you

I don't know he I could say
Anything to make you stay,
But let me show you how it could be, yeah
And I know you've gained so much,
For love that's not enough
But all my heart,
I'll give you for free

Don't wanna run, don't wanna hide
Don't wanna say that I'll be alright

I don't wanna run, don't wanna hide
I don't wanna feel like I did tonight
I don't wanna say that I'll be alright
Cause lying is the only thing that gets of by

I don't wanna bend, don't wanna break
I don't know how much more of this I can take

I don't wanna love you, no; it's true
If I have to learn to love anyone but you

Anyone but you,
I don't wanna love anyone but you
Anyone but you,
I don't wanna love anyone but you
