

## Stay Away

### Secondhand Serenade

Something isn't right,  
I'm losing faith in everything I know,  
what do I know?

You told me I should fight,  
not be self destructive thinking I should go,  
what do i know?

Stay away from me!  
I need you too badly,  
and it's tearing me apart!  
Won't you stay a part of me?

I need you too badly,  
I need you too badly,  
I need you too badly.

I wrote this song tonight,  
just to feel like I was not alone,  
But I am alone.  
I don't have the right to ask for your  
forgiveness on the phone,  
Cause I am alone.

Stay away from me!  
I need you too badly,  
and it's tearing me apart!  
Won't you stay a part of me?

I need you too badly,  
I need you too badly,  
I need you too badly.

This feelings never ending,  
and I can't keep pretending,  
that it's you I want,  
that it's you.  
I'm not okay,  
I'm not okay.

Stay away from me!  
I need you too badly,  
and it's tearing me apart!  
Won't you stay a part of me?

I need you too badly,  
I need you too badly,  
I need you too badly.
