

Stay Away

Secondhand Serenade

Something isn't right,
I'm losing faith in everything I know,
what do I know?

You told me I should fight,
not be self destructive thinking I should go,
what do i know?

Stay away from me!
I need you too badly,
and it's tearing me apart!
Won't you stay a part of me?

I need you too badly,
I need you too badly,
I need you too badly.

I wrote this song tonight,
just to feel like I was not alone,
But I am alone.
I don't have the right to ask for your
forgiveness on the phone,
Cause I am alone.

Stay away from me!
I need you too badly,
and it's tearing me apart!
Won't you stay a part of me?

I need you too badly,
I need you too badly,
I need you too badly.

This feelings never ending,
and I can't keep pretending,
that it's you I want,
that it's you.
I'm not okay,
I'm not okay.

Stay away from me!
I need you too badly,
and it's tearing me apart!
Won't you stay a part of me?

I need you too badly,
I need you too badly,
I need you too badly.
