Stay Away

Secondhand Serenade

Something isn't right, I'm losing faith in everything I know, what do I know?

You told me I should fight, not be self destructive thinking I should go, what do i know?

Stay away from me!
I need you too badly,
and it's tearing me apart!
Won't you stay a part of me?

I need you too badly, I need you too badly, I need you too badly.

I wrote this song tonight, just to feel like I was not alone, But I am alone. I don't have the right to ask for your forgiveness on the phone, Cause I am alone.

Stay away from me!
I need you too badly,
and it's tearing me apart!
Won't you stay a part of me?

I need you too badly, I need you too badly, I need you too badly.

This feelings never ending, and I can't keep pretending, that it's you I want, that it's you. I'm not okay, I'm not okay.

Stay away from me! I need you too badly, and it's tearing me apart! Won't you stay a part of me?

I need you too badly, I need you too badly, I need you too badly.
