

Vulnerable

Secondhand Serenade

Share with me the blankets that you're wrapped in
Because it's cold outside, it's cold outside
Share with me the secrets that you kept in
Because it's cold inside, it's cold inside

And your slowly shaking fingertips
Show that you're scared like me so
Let's pretend we're alone
And I know you may be scared
And I know we're unprepared
But I don't care

Tell me tell me
What makes you think that you are invincible?
I can see it in your eyes that you're so sure
Please don't tell me that I'm the only one that's vulnerable
Impossible

I was born to tell you I love you
Isn't that a song already?
I get a B in originality
And it's true I can't go on without you
Your smile makes me see clearer
If you could only see in the mirror what I see

And your slowly shaking fingertips
Show that you're scared like me so
Let's pretend we're alone
And I know you may be scared
And I know we're unprepared
But I don't care

Tell me tell me
What makes you think that you are invincible?
I can see it in your eyes that you're so sure
Please don't tell me that I'm the only one that's vulnerable
Impossible

Slow down girl, you're not going anywhere
Just wait around and see
Maybe I'm much more, you never know what lies ahead
I promise I can be anyone, I can be anything

Just because you were hurt doesn't mean you shouldn't bleed
I can be anyone, anything
I promise I can be what you need

Tell me tell me
What makes you think that you are invincible?
And I can see it in your eyes that you're so sure
Please don't tell me that I'm the only one that's vulnerable
Impossible
