

Spider Besider

Secret And Whisper

A wish for all (Wish for all)
To blossom and to change
Misfit girl (Misfit girl)
ancient, and forgotten ways

Iachoku, Iachoku
Im not as sweet as I've lead you
Iachoku, Iachoku
With spiders besider

I heard you speak
Of ancient cherry blossoms
I ask you to take me there
A wish for all
I ask you to take me there
And I wish for all

Iachoku, Iachoku
Im not as sweet as I've lead you
Iachoku, Iachoku
With spiders beside her
Spiders besider

Tradition meets with ocean lines
(Something)
The secrets dead something
(something)
With spiders besider

Iachoku, Iachoku
Im not as sweet as I've lead you
Iachoku, Iachoku
With spiders besider

Iachoku, Iachoku, Iachoku
With spiders besider
