Another Exit

Secret Discovery

my heart beats faster, the world is turning round and round, the edge comes closer, another exit to be found,

my voice sounds weaker, I call your name but you don't hear, feel like an angel, I'm flying...

high, so deep inside me, retrace my whole life to remind myself of you.

I'm falling deeper, no way to stop, no place to hide, here where I go now just trying to reach the other side two worlds colliding, took one step back got further down, feel like an angel, I'm flying...

high, ...
