

## Follow Me

Secret Discovery

If you think you're guilty  
when your wish gets strong  
get a new experience  
come and cross the line

When the day comes closer  
and your passions fade  
you're unable to oppose  
come and cross the line

Follow me ...

What you ever needed  
What you never got  
just a promise that I give  
you can have it all

Now the day comes closer  
and your passions fade  
don't ignore your wishes  
come and cross the line

Follow me ...
