

## Flash In The Night

Secret Service

As a break of dawn came closer  
All my hopes seemed so forlorn.  
The misty signs of laughter  
And the light eluded all.  
My despair was caught in motion

A face just barely true  
Shadows in blue.

A flash in the night...  
In the changing of the season  
Releasing one lost name.  
The scar once healed forever  
Dissolving in the rain.  
A twig snapped in the clearing

A glimpse of golden skin  
My face within  
My despair was caught in motion.  
A face just barely true  
Shadows in blue.

A flash in the night...
