

Over Town

Secret Service

Long legs, a pair of red shoes
One smile, I know you're hot news
Badtalking friends - will bring me down
Night moves, the last sensation
Overnight my imagination
Makes me the fool - all over town

Stories are growing my darling of a feather
Only because we my darling are together

Cheap talk runs with the betting
Odds on is all I'm getting
Blackballed again - all over town
Red shoes left in the ashes
Blue marks of your eyelashes
Badtalking friends - all over town

Stories are growing my darling of a feather
Only because we my darling are together
