

Will You Be Near Me

Secret Service

When the songs begin the fading
And the silence breaking through
Will you be near me
Will you be near me

When the words are only spinning
And I don't know what to do
Will you be near me
Will you be near me

If the laughter turns to sorrow
And all friends are moving on
But today's not tomorrow
Who can tell what's going on

Looking up to the stars
I'm looking up to the stars
Looking up to the stars
Is it all in the stars

When you tell me words that matter
When I'm moving much too fast
Then I will hear you
Then I will hear you

When your head is on my shoulder
Will you tell me 'bout the past
So I can hear you
So I can hear you

If the laughter turns to sorrow
And all friends are moving on
But today's not tomorrow
Who can tell what's going on

Looking up to the stars
I'm looking up to the stars
Looking up to the stars
Is it all in the stars
