

## Evolution Valour Admission

Secrets of the Moon

Evolution valour admission  
Conjuration of the next confession  
Profound and deep but spiked with pain

Like a slot burned out on silent ground  
Let her remember the logic of life  
Let her share the fire

I want to die in hunger  
Getting thinner and thinner  
Until there's nothing left of me

Life

Con(in)fluences

Satan master

Salvation

Evolution valour admission  
Profound and deep but spiked with pain
