Wonderful Life

Here I go Out to sea again The sunshine fills my hair And dreams hang in the air Gulls in the sky And in my blue eyes You know it feels unfair There's magic everywhere Look at me standing (oh yeah) Here on my own again Up straight in the sunshine No need to run and hide It's a wonderful, wonderful life No need to laugh and cry It's a wonderful, wonderful life The sun in your eye The heat is in your hair They seem to hate you 'cause you're there I, I need a friend Ooh, I need a friend (need a friend) To make me happy Not to stand on my own Look at me standing Here on my own again (on his own again) Up straight in the sunshine No need to run and hide It's a wonderful, wonderful life No need to laugh and cry It's a wonderful, wonderful life No need to run and hide It's a wonderful, wonderful life No need to laugh and cry It's a wonderful, wonderful life
