

## Devotion

Seelenkrank

Scars on my neck  
Burns in my face  
I eat your shit  
My hands in chains  
My feet in chains  
You piss in my face  
You sign your name  
Across my body  
With a burning whip  
Scars of fire  
On my naked flesh  
I feel the pain  
I'm your slave  
Your bloody slave  
You slap in my face  
I'm the solution  
For your cruelly desire  
Kill me now
