

Lonely in this white room, there are pads everywhere  
Chafing straitjacket, I won't die in there  
Save me smiling Jesus, get off that cross  
Hate me screaming masses  
I don't care if I'm lost  
Don't tell me that you're all better  
I don't care if you are Don't tell me that you're trendsetters  
I don't care if you are

Lowly with my head bowed, there are rats everywhere  
Feed me bread and water  
I won't die in there  
Save me smiling Jesus, get off that cross  
Hate me screaming masses  
I don't care if I'm lost

Don't tell me that you're all better  
I don't care if you are Don't tell me that you're trendsetters  
I don't care if you are

Say you will take my pills  
Say you will faking ill

Don't tell me that you're all better  
I don't care if you are Don't tell me that you're bed wetters  
I don't care if you are  
Say you will take my pills  
Say you will faking ill  
Say you will (say you will) take my pills (take my pills)  
Say you will (say you will) faking ill
