

Against the Wall

Seether

I was born to fly away
And run across the sun
It faded out
Like a candle in the breeze
Fadin' out
Like I'm supposed to

So everyday I'm against the wall
With nowhere to turn to
And if I dare to believe at all
It leaves me deflated

My mind begins to strain
And my thoughts begin to run
I've played it out
I can't seem to find the peace
I've heard about
Am I not supposed to?

So every day I could lose it all
Don't let this concern you
So will you catch me if I fall
And keep me elated
It's not complicated

If I knew I could change it all
I'd hope that you waited
(Can't be broken down)
If I knew I could change it all
I'd hope that you waited
(Can't be broken down)

Can't be broken down [x4]
