

Dazed and Abused

Seether

Amuse myself with pots of paint
Produce the demons within us
Pointless trials but don't be late
Cause someone's always pissed off

Disrespect me cause I'm ugly
Don't give me your stupid pity

There are no hands to tell the time
Master of my destination
Your selfish hands invade this time
And break through all of my fences

Disrespect me cause I'm ugly
Don't give me your stupid pity

Amuse myself with pots of paint
Produce the demons within us
Pointless trials but don't be late
Cause someone's always pissed off

Disrespect me cause I'm ugly
Don't give me your stupid pity

Disrespect me cause I'm ugly
Don't give me your stupid pity
