

## Dazed and Abused

Seether

Amuse myself with pots of paint  
Produce the demons within us  
Pointless trials but don't be late  
Cause someone's always pissed off

Disrespect me cause I'm ugly  
Don't give me your stupid pity

There are no hands to tell the time  
Master of my destination  
Your selfish hands invade this time  
And break through all of my fences

Disrespect me cause I'm ugly  
Don't give me your stupid pity

Amuse myself with pots of paint  
Produce the demons within us  
Pointless trials but don't be late  
Cause someone's always pissed off

Disrespect me cause I'm ugly  
Don't give me your stupid pity

Disrespect me cause I'm ugly  
Don't give me your stupid pity
